

MISSION STATEMENT

Sharing the gospel of Christ Jesus in ways that give life: through cultivating Christ-centered community for the growth and renewal of all God's people in the wonder of creation.

MESSAGE TO PARENTS

Sending your child to camp can be a big decision, especially if it's their first time. With so many other options to choose from, a question worth asking is, "Why LCLC?" While the answer to that question may include multiple reasons, we believe our Outcome Statements provide a concise summary of why choosing LCLC is a decision worth making.

In every camp program, we strive to meet the following outcomes:

- To positively affect campers' faith at LCLC and at home throughout the year.
- To provide a time and place for encountering God, self, others, and nature.
- To positively affect campers' home and family life.
- To provide an environment where campers are safe and happy and have fun.
- To positively affect and build campers' life skills including; independence, inter-personal skills, self-esteem, problem solving skills, and stick-to-itiveness.

As you consider how your family will spend its time this summer, we pray that you'll give LCLC the opportunity to be a positive influence in the life of your child. Thank you for choosing LCLC!

All persons regardless of race, national origin, sex, color, or disability are welcome to attend Lake Chautauqua Lutheran Center on a first come, first registered basis.

"For the Lord is good; his steadfast love endures forever, and his faithfulness to all generations."

Psalm 100:5

This summer we will explore the stories of some of the more memorable Bible characters and their responses to God's call and promised faithfulness in the midst of

life's unpredictability and challenges. For through the wonder of the cross we see that unpredictability and challenge may not be eliminated but they are absolutely transformed into new life.

CAMPERSHIPS AVAILABLE!

WE WANT TO HELP. LCLC continues its pledge to never turn a child away due to financial need. Thanks to the St. John's Home Board and to some very generous individual donors, we have funding available to help children get to camp. Applying for assistance can be as simple as a phone call and a conversation. Please let us know how we can help! (Please note: In order to help as many campers as possible, multiple camperships per camper may not be available.)
