

**LCLC**  
Lake Chautauqua Lutheran Center

**Calling All Runners!** *And by “runners” we mean anyone who jogs, walks, hikes, pushes a stroller, wheelchairs, or even rollerblades.*

### **Announcing the LOM Run4Camp 5K**

**What:** A remote fundraiser for LCLC and other participating Lutheran camps across the Lutheran Outdoor Ministries (LOM) network. LCLC is a member of LOM.

**Who Can Participate:** Anyone old enough and capable enough to run, walk, hike, etc. a distance of 5K (3.1 miles).

**When:** October 24, 2021 (*or whatever day and time between 10/17 and 10/24 works best for you*). You can participate synchronously or asynchronously.

**Where:** In your own neighborhood, on your own treadmill, in a mall, or in your favorite park.

**How It Works:** Each 5K participant agrees to three simple things:

1. Donate \$25 or more to LCLC to secure their Run4Camp spot. (*An optional \$15 can be paid to LOM for a Run4Camp T-shirt. T-shirt deadline is 9/30/21.*) [Click here](#) for LCLC’s secure donation page. 100% of donations go to LCLC.
2. Find at least 5 sponsors to support their run with a gift to LCLC in any amount from \$5.00 and up. Sponsors also make their donations on LCLC’s secure [donation page](#), so runners don’t have to handle any money. If needed, checks can be mailed to LCLC. 100% of sponsorships go to LCLC.
3. Optionally, email/text a simple video/pic of themselves during their run to be shared on a national, live webcast the afternoon of October 24<sup>th</sup>.

**How to Register:** Runners register via the LOM website. Click the following link that will take you to the registration form: <https://forms.gle/mnqiKmsNf22DEfQD9>. LOM will not share your information with any organization other than LCLC. After registering, make your \$25 or more donation to LCLC and start recruiting your sponsors.

#### **Orientation and Information Session:**

Participants are invited to an optional ZOOM orientation on October 3rd, 4:00PM or October 5th, 8:30PM. It will include inspiration of why this is an important event, ideas and motivation for finding lots of donors, and Q&A on how the whole process works.
